ARRIVAL AND SEATING OF THE FAMILY

CALL TO ORDER..... by Officiant

CONGREGATIONAL HYMN“Will Your Anchor Hold”

Will your anchor hold in the storms of life,
when the clouds unfold their wings of strife?
When the strong tides lift, and the cables strain,
will your anchor drift, or firm remain?

Refrain:

We have an anchor that keeps the soul
steadfast and sure while the billows roll;
fastened to the Rock which cannot move,
grounded firm and deep in the Saviour’s love!

Will your anchor hold in the straits of fear,
when the breakers roar and the reef is near?
While the surges rage, and the wild winds blow,
shall the angry waves then your bark o’erflow?

Will your anchor hold in the floods of death,
when the waters cold chill your latest breath?
On the rising tide you can never fail,
while your anchor holds within the veil.

Will your eyes behold through the morning light
the city of gold and the harbour bright?
Will you anchor safe by the heavenly shore,
when life’s storms are past for evermore?

Obituary

Ernold was born to Edward Hall and Ulled Yvette Clarke-Green on 13rd March 1979. His happy and playful nature won over the hearts of many of his loved ones. Ernold spent

most of his formative years in the home of his grand-parents Jeffery and Winifred Hall (now deceased), he enjoyed fishing with his grandfather and often told stories of their many adventures along Bambarra beach.

At the age of 8 Ernold went to live in Grand Turk with his dad and mother (Annie Hall now deceased), he attended the Ona Ginton Primary School and later the Helena Jones

Robinson High School. Ernold made life-long friends in Grand Turk, and often lamented on the times he and his cousin Sugar-Ray would walk the pond trenches.

Ernold then relocated to Providenciales with his family and completed his education at the Clement Howell High School. He was always good with his hands, he had a talent for repairing what was broken and making a faulty engine purr like new. His first employment was at the Providenciales Marina and Ship yard which combined his love for boats as well as his ability to repair and maintain the vessels. After some years Ernold sought employment with the Royal Turks and Caicos Islands Police Force as the force mechanic, however his love for boats and mechanics caused him to take up employment at COMO Parrot Cay working maintaining and servicing the vessels of the resort, he enjoyed what he did and committed himself to his work there, this commitment fostered his move to North Caicos.

Above all Ernold loved his family, he was the life of every family gathering, when he was around there was always laughter and excitement. His stories, Facebook posts and What's app status would inspire conversation and sometimes controversy but most of all he would post his family members whom he adored. His children were his pride and joy, his devotion to them was limitless and he used every opportunity to tell them that he loved them. He counted himself blessed because his quiver was indeed full.

While residing in North Caicos Ernold made a host of friends, his outgoing nature and cheerful disposition allowed him to form close bonds and friendships with many of the residents. He particularly enjoyed visiting and socializing with the people

in the settlement of Kew and you would often find him relishing in their company. It was on the 3rd July 2022 while leaving the Kew area Ernold met his untimely death.
