OPENING HYMN ‘I’ll Fly Away’

Some glad morning when this life is o’er, I’ll fly away;
To a home on God’s celestial shore, I’ll fly away (I’ll fly away).

Chorus

I’ll fly away, Oh Glory, I’ll fly away; (in the morning)
When I die, Hallelujah, by and by, I’ll fly away (I’ll fly away).

When the shadows of this life have gone, I’ll fly away;
Like a bird from prison bars has flown, I’ll fly away (I’ll fly away)

Just a few more weary days and then, I’ll fly away;
To a land where joy shall never end, I’ll fly away (I’ll fly away)

CONGREGATIONAL HYMN “Prayer Bells of Heaven”

While we are living in this world of care
Many the burdens that we have to bear
But there’s a prayer bell at the Lord’s right hand
Give it a ring and He will understand

Chorus

Prayer bells of heaven oh how sweetly they ring
Bearing a message unto Jesus our king
When you are burdened down with sorrows and care
Ring on and on for God will answer your prayer

Three Hebrew children to the fire were thrown
Because a worldly king they would not own
Jesus delivered and the king then saw
Prayer bells of heaven beat a man made law

When Paul and Silas were thrown into jail
They didn’t worry who would go their bail
But on the prayer bells they began to ring
Off fell the stocks and they begin to sing

Into the garden Jesus went to pray
Until His sweat became as blood they say
Ringing the prayer bells there in agony
Bringing salvation that we might be free

COMMITTAL SERVICE

PRAYER Pastor Pedro S. Williams

COMMITTAL Pastor Pedro S. Williams

“IT IS FINISHED “

There's a line that is drawn through the ages
On that line stands an old rugged cross
On that cross, a battle is raging
To gain a man's soul or it's loss

Chorus

It is finished, the battle is over
It is finished, there'll be no more war
It is finished, the end of the conflict
It is finished and Jesus is Lord

On one side, march the forces of evil
All the demons, all the devils of hell
On the other, the angels of glory
And they meet on Golgotha's hill

The earth shakes with the force of the conflict
And the sun refuses to shine
For there hangs God's son, in the balance
And then through the darkness He cries

Yet in my heart, the battle was still raging
Not all prisoners of war had come home
These were battlefields of my own making
I didn't know that the war had been won

Oh, but then I heard the King of the ages
Had fought all the battles for me
And that victory was mine for the claiming
And now praise His name, I am free.

“IT’S ALRIGHT NOW “

There was a time I traveled, a lonely sinful road
Beneath a heavy burden bending low,
but now all things are different for Jesus took my load,
It's alright now I'm His I know

Chorus:

It's alright now for I am in my Savior's care
It's alright now my Savior hears and answers prayer
He'll walk beside me 'Til I climb the heav'nly stair
And ev'rything is alright now

A-down a lonely pathway without a friend to guide
I walked in sin and sorrow all alone
'Til Jesus came and found me and drew me to His side
It's alright now for I'm His own

No more in sin I wander no more in darkness roam
The Lord has placed my feet on higher ground
Each day new heights I'm gaining my soul is nearing home
It's alright now I'm heaven bound

The background of the image is a romantic sunset scene. The sky is filled with soft, orange and pink clouds. Two white doves are flying in the upper right corner. In the foreground, there is a dark, pebbly beach with gentle waves washing onto it. A large, dark rock formation is visible on the right side of the frame. The word "LOVE" is written in large, semi-transparent letters across the top left of the image.

LOVE

POEM

You can shed tears that he is gone
Or you can smile because he has lived

You can close your eyes and pray that he will come back
Or you can open your eyes and see all that he has left

Your heart can be empty because you can't see him
Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday

You can remember him and only that he is gone
Or you can cherish his memory and let it live on

You can cry and close your mind be empty and turn your back
Or you can do what he would want smile open your eyes love and go on.
